

passion for sports grounds

**After years of numerous canceled events, we were pleased to finally see many of our valued customers, partners and friends in person again at numerous events in this successful year.**

We would also like to share with you some highlights from 2023: It was characterized by groundbreaking innovations and other measures with which we actively contributed to environmental protection. Our headquarters in Vöhringen was expanded and our teams worked tirelessly on construction sites around the world to meet our customers' needs.

Thank you also for your loyalty! We wish you a Merry Christmas and happy holidays. May the coming year bring you joy, success and endless possibilities.

To paraphrase Charles M. Schulz's Charlie Brown (& the Peanuts): "It's not what's under the Christmas tree that matters – it's who's around it."

Let's tackle it together!
